OAKLAND

For the OAKLAND, CA visit on July 5, Rainbow PUSH partnered with *Oakland Parks and Recreation, The Vision Academy, Hip Hop TV, Ebay* along with *Stubhub* to provide a memorable afternoon for 50 inner city kids. Upon arrival, they were able to meet and shoot baskets with BIG 3 PLAYER DESMON FARMER of the BALL HOGS, and then Desmon gave them a powerful message about “Working Hard, Listening to Parents, and Taking advantage of their opportunities”. Then the students were given an exciting coding demonstration, followed by a hands on training for each of them to have the interactive gaming and training on their own. The group was PUMPED UP about the whole experience, and ended the day with SWAG giveaways and t-shirts from Ebay, Certificates of Completion signed by Rev. Jesse Jackson and Cupcakes!
